

Help Save Our Necks

Save Our Necks is an Accomack County citizens group that advocates county ordinances to preserve our agricultural economy, our environment, and our rural lifestyle.

We are auctioning a genuine David Turner Sculpture that Turner Sculpture in Onley has donated to raise funds for this effort. This bronze sculpture is a life sized courting blue heron, numbered 136 in an edition of 150.

The heron is on display at Shore Bank in Onley. To bid on this Eastern Shore icon, go to: ebay.com and search for item# 5480868746. The auction ends on April 10th, so **DO NOT** miss your chance. Thank you for your support.
